

Francis Wyman PTO

Volunteers are the Key...

The Francis Wyman School Parent Teacher Organization (PTO) is dedicated to enriching our children’s educational experience through a variety of programs that promote a cooperative relationship between parents, educators and school administrators. These goals are accomplished through the volunteer efforts of parents who work with teachers and administrators on committees. For more detailed information our brochure is located at www.burlington.mec.edu/fw/. Just click on the PTO Web-link and choose “PTO brochure”.

The PTO is seeking committee volunteers for the 2008-2009 school year. Please find below a list of the committees. If you are able to help, please indicate which committee(s) you would like to join on the form below and send it to the school by **October 5th** in an envelope marked “**PTO Committees**”. More than one parent can participate and the kids love knowing you are helping their school! Put additional name/info on back of slip. You will receive a call or email before the start-up of any committee(s) you have signed up for from the chairperson. Please be aware that committees are active at different times of the year and for different lengths of time. You may not be contacted right away but please know you will be contacted. An (*) indicates that a chairperson/coordinator is needed for that committee. For a full description of each committee, check out the PTO Link at <http://www.burlington.mec.edu/fw/>.
